

# New Member Referral Rewards

---

*If your referral signs up with...*

## **BN Membership and Coaching**

You get your network membership **FREE** for one year.

## **New Membership**

You get \$1000.00 toward your network membership.

## **Associate Membership**

You get \$500.00 toward future phone consultations or membership fees.

Contact Chris (ext 15), John (ext 11) or Les (ext 14) at Business Networks with your potential new member and we'll take care of the rest.

When the new member attends Flight School, they are asked who their biggest influence on joining Business Networks was. Make sure your potential new member remembers your name - - if yours is given, you will receive one of these rewards!
